I can't believe the freemas*ns gave away their bullsh*t in the open.

If you're wondering what this satanic star is about, it's the ultimate rebellion against the father. It's ultimately all about Tikkun Olam and the destruction of male and female. Read:

The Hermetic or Alchemical Androgyne

In **#Alchemy**, **#androgyny** is a symbol of "immortality", transcendence and totality. It is the triumph over the deceptive duality resulting from the creation of the universe. It also stands for the merging of the selves, the triumph over mind and ego, and the accord between sameness and diversity, particularly "duality".

The **#androgyne** possessed female grace, male force and the two sexes' other distinct qualities. The Hermetic chemists also asserted that we can find the androgyne where elements are present in any part of the earth.

In Alchemy the "Great Work" is producing the perfect androgyne, or mankind restored to wholeness.

The primordial Two-in-One represented the Great Work or the ultimate goal of Alchemy: to achieve balance in oneness and triumph over the fragmental illusion of the world. Androgyny is also the achievement of the "Philosopher's Stone."

In western Alchemy, the filius philosophorum symbolized the separated **#Consciousness** that the Alchemist wanted to take back from the physical world. The part-man/part-woman also

Intertwined duality.
It gets old once you notice this pattern of schizophrenia from these people.
It sure would suck if they turned it into a cringe mov—
aaaand they friggin' did.
For real, it's so frustrating. This thing, this ideology triggers my autism more than anything else.

> **Apolitical** ⌘ @Apolitical3678
> The jew is a communist and a capitalist.
> A conservative and a liberal.
> A republican and a democrat.
> An Israeli and an American.
>
> But he is a jew first and foremost, and it is this identity that motivates him

Did you know the anime Gundam was all about the Red Jews but in a space setting?
They changed the name "Zion" to "Zeon" because of the editor's complaints. Then they removed the fact that Anaheim electronics were supplying both sides and its founder was... Jewish!
